Instructions for Paper Presentation

Dear Presenter,

To ensure the smooth progress of the technical sessions, we have included some guidelines for presenting the papers below.

- **Templates and Instructions:** PowerPoint and poster templates, as well as other guidelines, are available at https://abraco.org.br/intercorr2025/chamada-de-trabalhos-2/

- **Registration:** If you have not registered, access https://eventos.abraco.org.br/ to guarantee participation.

- **Schedule:** The complete congress program is available on the congress website. You can check the day and time of your presentation.

- **Language of the presentations:** the content of the slides (PowerPoint) and posters should be prepared in English. However, the oral presentation may be made in Portuguese.

- **Oral papers:** each oral presentation will have 20 minutes for exposition and 10 minutes for questions and debates, totaling 30 minutes.

- **PowerPoint of the oral paper:** The file should be available on a pen drive or a notebook on the presentation day.

- **Poster Session:** The schedule defines specific days and times for poster presentations. At least one of the authors should be present next to the poster during the exhibition period.

- **Location of the posters:** The posters will be distributed according to theme and will occupy the two floors of the exhibition area. Check in advance which floor your poster will be allocated.

- **Certificates:** After the congress, the certificate of participation as a presenter will be available for download on the event platform.

- **Questions and contact:** If you need additional information, please email eventos@abraco.org.br or eventos2@abraco.org.br or call (21) 96513-0183.
